

**Clothed in Kindness** is a Christian outreach project working to provide free school uniform for families in need across Tamworth. As a Parish we recognise that following the Coronavirus pandemic there will be families who are facing financial difficulties because of the impact to our economy and may be struggling to buy school uniform for the new school year and we want to help.

This is a non-profit making, volunteer run project where our aim is to see children have the best start to the school year in September despite any other difficulties they may be facing and to share the love of Christ in a practical way.

Clothing will be available to families in need through a referral process. If you wish to make a self-referral, we will need a small amount of information from you. **Please visit our website and click on the 'referral' section.** A member of the team will then make contact with you. You will be given a timed slot to visit our Clothed in Kindness Uniform Bank at St Paul's Church in Fazeley to collect uniform.
