

Geography Year 5-6

Human & Physical Geography

In years 5/6 in units such as Frozen Kingdom and Sow, Grow and Farm, I will learn how to...

Further describe and understand key aspects of human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water.

Further describe and understand key aspects of physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle.

In year 3/4 in units such as Rocks, Relics and Rumbles and Misty Mountain, I will learn how to...

Describe and understand key aspects of human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water.

Describe and understand key aspects of physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle.

I will use this knowledge in Year 7 and beyond to ...

Consider a career as a:

Commercial/residential surveyor.
